Brian – thanks for reaching out to me this week. My General Counsel would like to set up a call with you, if possible May 10 or 11. Before that call, it would be very helpful if you could let me know what masks are allegedly infringing on the patents. Also, will you provide a copy of the proposed license that you would like us to sign in exchange for any settlement? Thanks.

Here are the two versions for comparison. I made some cosmetic changes, so, just scrap what you already have (although, the substance is identical) and review these.

I'm good up until 3:00 Central. Would 1:30 or 2:00 work?

I'll work up the draft in the meantime
